

DERBI-ANCHOR EXTENDED FASCIA

DESCRIPTION

DERBI-ANCHOR Extended Fascia provides your roofing system with the maximum protection against wind up-lift damage that is available in today's roofing market. Supported by extensive industry testing to bring long-term, worry-free performance. The DERBI-ANCHOR Extended Fascia system is designed for fast and easy installation, eliminating the stripping in that is typical of other roof edge designs.

FEATURES & BENEFITS

- ▶ Non-penetrating design eliminates the need for stripping-in or heat welding that's typical with other roof edge systems
- ▶ FM approved
- ▶ Easy installation and decreased labor costs
- ▶ Carefully designed and tested to comply with ANSI/SPRI/ES-1 the International Building Code
